

CURRICULUM VITAE

TRACY, Cynthia Marie

Work Address:

3800 Reservoir Road, NW
Washington, D.C. 20007-2197
202-687-8977 Phone
202-894-4790 Fax
tracyc@gunet.georgetown.edu

Education:

B.A. (Science) Hiram College, Hiram, OH
Member of Hiram College Honor Society

Case Western Reserve University, Cleveland, OH
Basic science research in biochemistry funded by a student traineeship grant from Cystic Fibrosis Foundation

M.D. Medical College of Ohio at Toledo, Toledo, OH

Post Graduate Training:

Internship, Straight Medical,
Georgetown University Hospital, Washington, D.C.
Residency, Internal Medicine,
Georgetown University Hospital, Washington, D.C.
Fellowship, Cardiology,
Georgetown University Hospital, Washington, D.C.
Fellow in Hedwig van Ameringen Executive Leadership in Academic Medicine (ELAM) Program for Women.

Professional Appointments:

7/84-6/87	Senior Medical Staff Fellow, Cardiology Branch, National Heart, Lung and Blood Institute, Bethesda, MD
2/85-4/85	Ward Chief, Cardiology Branch, National Heart, Lung and Blood Institute, Bethesda, MD
4/85-6/87	Clinical Instructor in Medicine, Georgetown University Hospital, Washington, D.C.

9/86-6/87 Consultant to the Cardio-Renal Branch, F.D.A., Rockville, MD

6/87-1/90 Director, Coronary Special Care Unit,
Assistant Professor of Medicine, Georgetown University Hospital, Washington, D.C.

6/87-9/00 Director, Cardiac Arrhythmia Service,
Georgetown University Hospital, Washington, D.C.

7/87 Consultant to the National Heart, Lung and Blood Institute, Bethesda, MD

1991- Present WOC, Cardiologist, Washington VA Medical Center, Washington, D.C.

11/93 Associate Professor of Medicine,
Georgetown University Hospital, Washington, D.C.

1997 Associate Professor of Medicine, Clinician Educator Track, Georgetown University
Hospital, Washington, D.C.

2000 Professor of Medicine, Clinician Educator Track, Georgetown University Hospital,
Washington, D.C.

9/00- Present Interim Chief, Division of Cardiology, Georgetown University Hospital,
Washington, D.C.

Board Certification:

American Board of Internal Medicine- Internal Medicine (Does not require
recertification
American Board of Internal Medicine- Cardiovascular Disease (Does not require
recertification
American Board of Internal Medicine- Clinical Cardiac Electrophysiology

Professional Societies:

American College of Cardiology (Governor Elect for the District of Columbia)
North American Society of Pacing and Electrophysiology (Member)
American Heart Association

Committee Activities:

Institutional Georgetown:

1988-1993, Committee on Clinical Competence, Georgetown University Hospital, Washington,
D.C.

1991, Coronary Care Reorganization Committee, Georgetown University Hospital, Washington, D.C.

1990-1991, Intern Selection Committee, Georgetown University Hospital, Washington, D.C.

1991-1992, Clinical Research Task Force, Georgetown University Hospital, Washington, D.C.

1992-2000, Research Integrity Committee, Georgetown University Hospital, Washington, D.C.

1991-1997, Subcommittee on Risk/Benefit Analysis for Investigational Research Board, Georgetown University Hospital, Washington, D.C.

1992-Present, Faculty Senate, Georgetown University Hospital, Washington, D.C.

1994-Present, Department of Medicine Committee on Appointments and Promotions, Georgetown University Hospital, Washington, D.C. (Reappointed 1996 and 1998)

1996 Managed Care Committee for the Division of Cardiology, Georgetown University Hospital, Washington, D.C.

1996 University Faculty Senate Governance Committee, Georgetown University, Washington, D.C.

1996 Search Committee: Chief of Cardiothoracic Surgery, Georgetown University Hospital, Washington, D.C.

1996- Search Committee: Chairman, Department of Radiology, Georgetown University Hospital, Washington, D.C.

1996 Budget Parameters Task Force, (Mullins Committee) Georgetown University Medical Center, Washington, D.C.

1997- Faculty Representative to the Medical Center Advisory Council, Georgetown University Medical Center, Washington, D.C.

1997 Billing Functions Task Force, Department of Medicine, Georgetown University Medical Center, Washington, D.C.

1997 Financial Stabilization FPG Operations Task Force, Department of Medicine, Georgetown University Medical Center, Washington, D.C.

1997 (7/1)- 1998 (2/9)- University Grievance Code Committee, Georgetown University, Washington, D.C.

1997 (12)-1998 (1)- Ad Hoc Committee on the Clinical Enterprise, Georgetown University, Washington, D.C.

1998 Ad Hoc Committee of the Medical Center Caucus; Clinical Enterprise, Georgetown University Hospital, Washington, D.C..

1998 CPR Committee, Georgetown University Hospital, Washington, D.C.

1998 Committee to Revise the Faculty Practice Group, Georgetown University Medical Center, Washington, D.C.

1998 Search Committee: Chairman, Department of Physiology, Georgetown University Hospital, Washington, D.C.

1998 Search Committee: Dean, School of Nursing, Georgetown University Hospital, Washington, D.C.

1998-1999 Faculty Senate Representative to the Executive Advisory Committee, Georgetown University Hospital, Washington, D.C.

1998- present, Faculty Representative to the Department of Medicine Executive Committee, Georgetown University Hospital, Washington, D.C.

1999 At-Large Faculty Practice Group, Georgetown University Hospital, Washington, D.C.

1999 (May) Clinical Practice Committee of the Georgetown University Medical Center, Washington, D.C.

1999 Co-VP Medical Center Caucus, Faculty Senate, Georgetown University Hospital, Washington, D.C.

1999 Faculty Senate Steering Committee, Georgetown University Hospital, Washington, D.C.

Regional and National:

1991, Procedures Review Committee of Blue Cross and Blue Shield of the National Capital Area, Georgetown University Hospital, Washington, D.C.

1992-1995, Exhibits Committee for the American College of Cardiology

1993-Present, North American Society of Pacing and Electrophysiology Health Policy Committee formerly the Government Relations Committee

1994-Present, North American Society of Pacing and Electrophysiology

Fellowship Training Program Directors= Committee

1994-1996, American Heart Association, Council on Clinical Cardiology, Committee on Electrocardiography and Cardiac Electrophysiology

1995- 1997, Program Committee for the 1996 and 1997 North American Society of Pacing and Electrophysiology National Meeting

1995- 11/1/99, Program Committee (Electrocardiography and Cardiac Electrophysiology) for the 1996, 1997, 1998, 1999 American Heart Association National Meeting

1995, Review Committee for Program Accreditation in Clinical Cardiac Electrophysiology for the Accreditation Council for Graduate Medical Education

1995-Present, Standing Panel for Accreditation appeals in Clinical Cardiac Electrophysiology for the Accreditation Council for Graduate Medical Education

1997-Present, North American Society of Pacing and Electrophysiology Health Policy Committee formerly the Government Relations Committee

1996-1998, American Heart Association, Council on Clinical Cardiology, Committee on Electrocardiography and Cardiac Electrophysiology

1996- Consultant for the Special Emphasis Panel of the National Institutes of Health, Bethesda MD

1997-Present Consultant to the Circulatory System Devices Panel of the Medical Devices Advisory Committee, Center for Devices and Radiological health, Food and Drug Administration

1997- Committee to revise Guidelines for Ambulatory Electrocardiography ACC/AHA

1997- American Heart Association Representative to the Joint Task Force on Clinical Privileges. AHA/ACC/American Colleges of Physicians.

1997- Roundtable Member. Institute of Medicine, National Academy of Sciences, Washington, D.C.

1997- May 2000- Chair of the CHP Physician Work Force Subcommittee, North American Society of Pacing and Electrophysiology

1997-Present, North American Society of Pacing and Electrophysiology: Primary Care Subcommittee

1998- Ad Hoc Working Group on Clinical Trials, North American Society of Pacing and Electrophysiology

1998- Present. Data and Safety Monitoring Board for NIH Sponsored Trial: Sudden Cardiac Death Heart Failure Trial.

7/1/98-6/30/00- Member-at-large of the Executive Committee, Council on Clinical Cardiology, American Heart Association

7/1/98-6/30/00, Chairman, American Heart Association, Council on Clinical Cardiology, Committee on Electrocardiography and Cardiac Electrophysiology

1998-2001, American College of Cardiology, Electrocardiography/Pacemaker Committee

1998-10/2000, American College of Cardiology, Electrophysiology Database Subcommittee

11/98-7/1/99, American Heart Association, Council on Clinical Cardiology, Clinical Science Committee

7/1/00- 6/30/01, American Heart Association, Council on Clinical Cardiology, Clinical Science Committee

1999-2000, American College of Cardiology, Governor-Elect for the District of Columbia

2000- BOG Representative to the ACC Task Force on Clinical Expert Consensus Documents

2000- BOG State Government Affairs Committee, ACC.

2000-2003, American College of Cardiology, Governor/Chapter President for the District of Columbia

1998-Present, Board of Appeals Panel Member for Internal Medicine Subspecialty of Clinical Cardiac Electrophysiology. Accreditation Council for Graduate Medical Education.

2000- Nominations Committee, American College of Cardiology.

2001, Chair of Advisory Panel to the Center for Devices and Radiologic Health, Food and Drug Administration.

2001- Present. Data and Safety Monitoring Board for NIH Sponsored Trial: Fatty Acid Antiarrhythmia Trail (FAAT).

Invited Presentations:

Local:

ATherapies for Wolff-Parkinson-White Syndrome,"Medical Grand Rounds, Georgetown University

Hospital, Washington, D.C., August 1987.

A Management of Cardiac Arrhythmias, ≡ invited faculty Cardiovascular Update in conjunction with American College of Cardiology Program on Clinical Auscultation, Georgetown University Hospital, Washington, D.C., May 1990.

A Evidence That Cocaine Slows Cardiac Conduction by AV-Nodal and His-Purkinje Effects in a Canine Model, ≡ Washington Electrophysiology Society, Washington, D.C., Spring 1991.

A Catheter Ablation Therapies for Wolff-Parkinson-White Syndrome, ≡ Medical Grand Rounds, Georgetown University Hospital, Washington, D.C., Spring 1992.

A Catheter Ablation of Atrial Arrhythmias, ≡ Washington Electrophysiology Society, May 1992.

A Management of Atrial Fibrillation, ≡ Washington Electrophysiology Society, May 1994.

A Catheter Ablation Therapies for Cardiac Arrhythmias, ≡ Medical Grand Rounds, Georgetown University Hospital, Washington, D.C., Spring 1994.

A Evolution of the Treatment for Supraventricular Tachycardia, ≡ Cardiology Grand Rounds, George Washington University, Washington, D.C., April 1995.

A Interpretation of ECGs, ≡ Internal Medicine Board Review Course, Georgetown University, 1996.

"SVT and Atrial Fibrillation," Internal Medicine Board Review Course, Georgetown University, 1997.

? Management of VT post MADIT, ≡ Washington Electrophysiology Society, Washington, D.C., January 1997.

A Radiofrequency Ablation of Cardiac Arrhythmias, ≡ cardiology research conference, Georgetown University Hospital, Washington, D.C., winter, 1997.

A Catheter Ablation of Arrhythmias ≡ Harvey/Hufnagel Symposium, Georgetown University Hospital, Washington, D.C. September 1997.

A Evaluation of Syncope-Tilt Table Testing, ≡ Cardiology Rounds, Dorchester General Hospital, Spring 1997.

? Evaluation of Patients with Palpitations, ≡ Cardiology for the Primary Care Physician, Georgetown University Hospital, Washington, D.C., winter 1997.

A Treatment of Atrial Fibrillation, ≡ Cardiology for the Primary Care Physician, Georgetown

University Hospital, Washington, D.C. Winter 1997.

ACurrent Treatment of Atrial Fibrillation,≡ Armed Forces, CME Conference, Reston, Virginia, November 1997.

ADevice-Device Interactions,≡ Georgetown University Hospital, Washington, D.C., Winter 1997.

ARecognition of Cardiac Arrhythmias≡ 4th Annual Cardiology Update Course, Sacred Heart Hospital, Cumberland, Maryland, May 1998.

?Arrhythmia Management During Pregnancy,≡ Washington Electrophysiology Society, Washington, D.C., April 1999.

“Nonsustained and Sustained Ventricular Tachycardia” Washington Area Cardiology Conference, USHUS, Bethesda, Maryland, October, 2000.

National and International:

AElectrophysiologic Testing: Indications and Techniques,≡ Invited faculty, Invasive Cardiovascular Techniques for the Technologist, American College of Cardiology Learning Center, Bethesda, MD, December 1987.

AElectrophysiologic Testing,≡ Invited faculty, Update for Interventional Cardiac Catheterization Laboratory Personnel, American College of Cardiology Learning Center, Bethesda, Maryland, December 1988.

ARadiofrequency Catheter Ablation of Cardiac Arrhythmias; A North American Society of Pacing and Electrophysiology Satellite Symposium,≡ live demonstration presentation done at Georgetown University Hospital, Washington, D.C. May 1991.

Co-Chairman, Original Contributions Session. ACatheter Ablation - AV Nodal Reentry.≡ 41st Annual Scientific Session, American College of Cardiology, Dallas, Texas April 1992.

ACatheter Ablation for Patients with Atrial Tachycardia/ Flutter,≡ Symposium Commemorating the Tenth Anniversary of Catheter Ablation: A Focus on Newer Concepts and Techniques, Chicago, Illinois, May 1992.

ACatheter Ablative Therapy for Supraventricular Arrhythmias,≡ Invited faculty, lecture and live demonstrations. Kardiocentrum, Prague Czechoslovakia, June 1992.

"Advances Clinical Cardiac Electrophysiology," Invited faculty, Learning Center American College of Cardiology, Bethesda, MD, February 1993.

ASyncope: Mechanisms and Treatments,≡ Cardiology Grand Rounds and invited expert in cardiac catheterization lab, East Bay Arrhythmia and Electrophysiology Center, Oakland, California, February 1993.

"Radiofrequency Ablation," Symposium participant, 42nd Annual Session, American College of Cardiology, Anaheim, California, March 1993.

"Radiofrequency HIS Bundle Ablation - Technical Aspects," Invited faculty, American Society for Artificial Internal Organs, 39th Annual Meeting, New Orleans, Louisiana, April 1993.

ACatheter Ablation of Atrial Tachycardia,≡ Cardiology Grand Rounds and invited expert in cardiac catheterization lab, Cedar Sinai Medical Center, Los Angeles, California, May 1993.

ACatheter Ablation for Supraventricular Arrhythmias,≡ Fireside Panel. Invited faculty, 43rd Annual Session, American College of Cardiology, Atlanta, Georgia, March 1994.

Co-Chairman, Original Contributions Session. ACatheter Ablation of Atrial Arrhythmias.≡ 43rd Annual Scientific Session, American College of Cardiology, Atlanta, Georgia, March 1994.

Co-Chairman, Original Contributions Session. ABasic Electrophysiology-Autonomics.≡ 43rd Annual Scientific Session, American College of Cardiology, Atlanta, Georgia, March 1994.

AWomen in Academic Medicine,≡ Invited faculty, symposium on AHow to Become a Clinical Cardiovascular Investigator,≡ Co-sponsored by American Heart Association and the American College of Cardiology, Bethesda Maryland, May 1994.

Co-Chairman, Original Contributions Session. ARadiofrequency Ablation of Atrial Arrhythmias,≡ 67th Annual Scientific Session, American Heart Association, November 1994.

AEvaluation and Management of Patients with Syncope,≡ Edna G. Kynett Memorial Foundation Lecture, Jefferson Medical College, Thomas Jefferson University, Philadelphia Pennsylvania, February, 1995.

ARadiofrequency Ablation for AV Node Reentry and WPW: Alternate Approaches, Benefits, and Risks,≡ Cardiovascular Conference at Snowbird, American College of Cardiology, Snowbird, Utah, February 1995.

ANew Applications for Radiofrequency Ablation: Atrial Tachycardia, Atrial Flutter, Atrial Fibrillation, and Ventricular Tachycardia,≡ Cardiovascular Conference at Snowbird, American College of Cardiology, Snowbird, Utah, February 1995.

Co-Chairman, Original Contributions Session. AHeart Rate Variability.≡ 44th Annual Scientific Session, American College of Cardiology, New Orleans, Louisiana, March 1995.

ACatheter Mapping of Reentrant Arrhythmias- SVT/WPW,≡ Core Session, North American Society of Pacing and Electrophysiology, Boston, Massachusetts, May 1995.

ACatheter Ablation of Accessory Pathways,≡ North American Society of Pacing and Electrophysiology, Boston, Massachusetts, May 1995.

ACatheter Ablation of Accessory Pathways,≡ Plenary Session, 68th Annual Scientific Session, American Heart Association, Anaheim, California, November 1995.

Co-Chairman, Original Contributions Session. AElectrophysiology in Myocardial Ischemia.≡ 45th Annual Scientific Session, American College of Cardiology, Orlando, Florida, March 1996.

Invited Presentation. AMeet the Experts. Supraventricular Tachycardia Therapy: Update on Ablation,≡ 45th Annual Scientific Session, American College of Cardiology, Orlando, Florida, March 1996.

Co-Chairman, Featured Symposium AAtrial Fibrillation IV-Role of Catheter and Surgical Ablation in Atrial Fibrillation≡ North American Society of Pacing and Electrophysiology, Seattle Washington, May, 1996.

Chairman, Clinical Tutorial, AAblation of Accessory Pathways≡ North American Society of Pacing and Electrophysiology, Seattle Washington, May 1996.

Invited Presentation. Core Curriculum ACatheter Ablation- Atrioventricular Reentry and Accessory Pathway Mediated Arrhythmias≡ North American Society of Pacing and Electrophysiology, Seattle Washington, May 1996.

Moderator. Cardiovascular Seminar AAtrial Fibrillation,≡ 69th Annual Scientific Session, American Heart Association, New Orleans, Louisiana, November 1996.

Co-Chairman, Original Contributions Session. ARadiofrequency Ablation-Atrial Arrhythmias and AV Node Reentry≡ 69th Annual Scientific Session, American Heart Association, New Orleans, Louisiana, November 1996.

Panel Discussant, NASPE/Food and Drug Administration Session: ACurrent Issues in Basic and Clinical Research.≡ North American Society of Pacing and Electrophysiology, New Orleans, May 1997.

Chairman, Clinical Tutorial: ACatheter Ablation of Accessory Pathways (Advanced session).≡ North American Society of Pacing and Electrophysiology, New Orleans, May 1997.

Invited Presentation. Core Curriculum "Catheter Ablation of Accessory Pathways and AV Nodes:

Endpoints for AV node Modification," North American Society of Pacing and Electrophysiology, New Orleans, May 1997.

A Device-Device Interactions, St. Jude-Pacesetter Conference for Cardiology Fellows, Philadelphia, Pennsylvania, Fall, 1997.

A Management of the Patient at Risk for Sudden Death, St. Jude-Pacesetter Conference for Cardiology Fellows, Philadelphia, Pennsylvania, Fall, 1997.

Invited Presentation. "Radiofrequency in children- Special Considerations" VI Asian Pacific Symposium on Cardiac Pacing and Electrophysiology. New Delhi, India, October 1997.

Co-Chairman, Clinical Tutorial. A Non-Pharmacologic treatment of Atrial Fibrillation." VI Asian Pacific Symposium on Cardiac Pacing and Electrophysiology. New Delhi, India, October 1997.

Invited Presentation. Clinical Tutorial. Non-Pharmacologic treatment of Atrial Fibrillation. "Ablation of Atrial Fibrillation." VI Asian Pacific Symposium on Cardiac Pacing and Electrophysiology. New Delhi, India, October 1997.

Chairman, Original Contributions Session. A Ablation Therapy for Atrial Fibrillation and Supraventricular Tachycardia, 70th Annual Scientific Session, American Heart Association, Orlando, Florida, November 1997.

Moderator, How-To Session-#27. 70th Annual Scientific Session, American Heart Association, Orlando, Florida, November 1997.

70th Annual Scientific Session, American Heart Association, Orlando, Florida, November 1997.

Faculty presenter. A Personnel Considerations in Establishing an Electrophysiology Practice St. NASPE Program for Fellows, North American Society of Pacing and Cardiac Electrophysiology, 19th Annual Scientific Sessions, May 1998, San Diego, California.

Co-Chairman, Mini-Course A Anatomic Considerations in Ablation Therapy St. North American Society of Pacing and Cardiac Electrophysiology, 19th Annual Scientific Sessions, May 1998, San Diego, California.

Invited Presentation, A Role of an Advisory Panel Member to the FDA, St. North American Society of Pacing and Cardiac Electrophysiology, 19th Annual Scientific Sessions, May 1998, San Diego, California.

Invited Faculty, Managing Cardiac Arrhythmias: A Practical Update for the Practicing Clinician. A Common Arrhythmia Problems: Bringing Order to Disorder, St. North American Society of Pacing and Cardiac Electrophysiology, 19th Annual Scientific Sessions, May 1998, San Diego, California.

Invited Faculty, How to Become a Clinical Cardiovascular Investigator, Workshop on ?Women in Academic Medicine.≡ American College of Cardiology Heart House, Bethesda, Maryland, June 1998.

Invited Faculty, Contemporary Arrhythmia Management-A Live Interactive Satellite Video Teleconference. American College of Cardiology and North American Society of Pacing and Cardiac Electrophysiology, Heart House, Bethesda, Maryland, June 1998.

?Is Catheter Ablation Primary Therapy for SVT?≡ Plenary Session, 71st Annual Scientific Session, American Heart Association, Dallas, Texas, November 1998.

Chairman, Original Contributions Session. ?Catheter Ablation: Outcomes, Follow-up, and Associated Findings.≡71st Annual Scientific Session, American Heart Association, Dallas, Texas, November 1998.

?Management of Arrhythmias During Pregnancy≡, Meet the Experts Faculty, American College of Cardiology, 48th Annual Scientific Sessions, New Orleans, Louisiana, March 1999.

Co-Chairman, Original Contributions Session, ?Atrial Flutter, Mapping and Ablation≡ American College of Cardiology, 48th Annual Scientific Sessions, New Orleans, Louisiana, March 1999.

APersonnel Considerations in Establishing an Electrophysiology Practice≡ NASPE Program for Fellows, North American Society of Pacing and Cardiac Electrophysiology, 20th Annual Scientific Sessions, May 1999, Toronto, Ontario.

Invited Faculty: Meet the Experts: ?Complications of Catheter Ablation-How to Avoid them.≡ North American Society of Pacing and Cardiac Electrophysiology, 20th Annual Scientific Sessions, May 1999, Toronto, Ontario.

Invited Faculty, Managing Cardiac Arrhythmias: A Practical Update for the Practicing Clinician. ASVT: What to Do?≡ North American Society of Pacing and Cardiac Electrophysiology, 20th Annual Scientific Sessions, May 1999, Toronto, Ontario.

Invited Faculty, How to Become a Clinical Cardiovascular Investigator, Workshop on ?Women in Academic Medicine.≡ American College of Cardiology Heart House, Bethesda, Maryland, June 1999.

Invited Faculty: “Pacemaker/Device Implantation”, St. Jude Medical Corporation, Memphis, Tennessee, and October 1999.

Co-Chairman, Original Contributions Session. AInnovations in Catheter-Based Therapies for Cardiac Arrhythmias≡ 72nd Annual Scientific Session, American Heart Association, Atlanta,

Georgia, November 1999.

Invited Faculty: Cardiovascular Seminar #58: Catheter Ablation of Cardiac Arrhythmias, ?Ablation of SVT-Acceptable Outcomes≡, 72nd Annual Scientific Session, American Heart Association, Atlanta, Georgia, November 1999.

Invited Faculty: ?Pacemaker Therapy for: Hypertrophic Cardiomyopathy, Dilated Cardiomyopathy, and atrial Fibrillation≡, St. Jude Medical Corporation, Clearwater, Florida, November 1999.

Invited Faculty: ?Device Follow-up and Troubleshooting≡, St. Jude Medical Corporation, Clearwater, Florida, November 1999.

Invited Faculty: Invited Faculty: Evening Session 0052 ?Syncope≡, American College of Cardiology 49th Annual Scientific Session, Anaheim, California, March 2000.

Invited Faculty: “Pacemaker/Device Implantation”, St. Jude Medical Corporation, Memphis, Tennessee, March 2000.

“Atrial Tachycardia and Catheter Ablation” Cardiology Grand Rounds, Haneman’s Hospital, Philadelphia, Pennsylvania, March 23, 2000.

Invited Faculty: ?Catheter Ablation in Atrial Fibrillation to Maintain Sinus Rhythm-Right and Left Atrial Linear Lesions.≡ 15th International Symposium: Electrophysiologic Basis for Diagnosis and Management of Cardiac Arrhythmias, University of Wisconsin Medical School, Kohler, Wisconsin, April 2000.

Invited Faculty: Debate ?Ablation Should be Considered as Primary Therapy for Stable VT.≡ North American Society of Pacing and Cardiac Electrophysiology, 21st Annual Scientific Sessions, Washington, D.C., May 2000.

APersonnel Considerations in Establishing an Electrophysiology Practice≡ NASPE Program for Fellows, North American Society of Pacing and Cardiac Electrophysiology, 21st Annual Scientific Sessions, May 2000, Washington, D.C.

Invited Faculty: National Fellows Symposium on Cardiac Rhythm Management. San Francisco, California July 2000.

“SVT, atrial Fibrillation and Ventricular Tachycardia” ACP Board Review Course, Washington, DC July 2000.

?Catheter Ablation in Atrial Fibrillation to Maintain Sinus Rhythm-Right and Left Atrial Linear Lesions.” Women Physicians in Electrophysiology, New York, New York October, 2000.

“Electrophysiologic Testing” and “Nonsustained and Sustained Ventricular Tachycardia”
Philadelphia Board Review Course in Cardiovascular Diseases, October 2000, Philadelphia, PA.

ACatheter Ablation of Wolff Parkinson White Syndrome≡ Invited faculty, lecture and live demonstrations. IKEM, Prague Czech Republic, March 2001.

APersonnel Considerations in Establishing an Electrophysiology Practice≡ NASPE Program for Fellows, North American Society of Pacing and Cardiac Electrophysiology, 21st Annual Scientific Sessions, May 2000, Boston, Mass.

CoChair “Ablation of SVT”, Symposium, North American Society of Pacing and Cardiac Electrophysiology, 21st Annual Scientific Sessions, May 2001, Boston, Mass.

Teaching Responsibilities:

July 1991- present, Director of Clinical Cardiac Electrophysiology training program.

Coordinator for cardiac arrhythmia teaching conference for general cardiology fellows. 1990 - Present.

Internal Medicine Board Review Course for Residents (4/96, 7/97, 7/98, 7/99)

Manuscript Peer Reviewer/Advisory Positions:

American Heart Journal - Approximate 1995 - Present

Journal of the American College of Cardiology - Approximate 1993 - Present

Circulation - Approximate 1995 - Present

Journal of Electrophysiology - Approximate - 1995 - Present

Journal of Interventional Electrophysiology, Editorial Board, Kluwer Academic Publishers - 1997 - Present

Abstract Reviewer-NASPE, AHA.

ACCEL- Frequent contributor (Oral interviewee)
